CERTIFIED MAIL – RETURN RECEIPT REQUESTED

To: Persons on Exhibit A

Ladies and gentlemen:

Enclosed are copies of the following applications for compulsory pooling, filed with the New Mexico Oil Conservation Division by Matador Production Company:

1. Case 20734, regarding a Bone Spring well in the W/2E/2 of Section 36 and the W/2E/2 of Section 25;
2. Case 20735, regarding a Bone Spring well in the E/2E/2 of Section 36 and the E/2E/2 of Section 25; and
3. Case No. 20736, regarding five Wolfcamp wells in the E/2 of Section 36 and the E/2 of Section 25,

all in Township 23 South, Range 28 East, N.M.P.M., Eddy County, New Mexico.

These matters are scheduled for hearing at 8:15 a.m. on Thursday, September 19, 2019, in Porter Hall at the Division's offices at 1220 South St. Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of a non-cost bearing **overriding royalty interest** that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from contesting the matter at a later date. The purpose of the pooling is to commit your interest to a pooling designation for each well.

A party appearing in a Division case is required by Division Rules to file a Pre-Hearing Statement no later than Thursday, September 12, 2019. This statement must be filed with the Division's Santa Fe office at the above address, and should include: The names of the party and its attorney; a concise statement of the case; the names of the witnesses the party will call to

testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that need to be resolved prior to the hearing. The Pre-Hearing Statement must also be provided to the undersigned.

Very truly yours,

James Bruce

Attorney for Matador Production Company
