Hi John,

We appreciate you reaching out to confirm. Please use the SHL listed on the C-102: 221 ft FNL and 681 ft FEL. Let us know if you need anything else on this case.

Thanks again,

Kaitlyn

External Email

Julia,

I am currently reviewing case 20999 COG Operating. In the checklist the SHL shows 225 ft FNL and 680 ft FEL whereas the C-102 shows 221 ft FNL and 681 ft FEL. Which footages is correct so it may be reflected in the order?

Thank you,

John Garcia
