**Subject:** Compulsory Pooling Orders - Sections 6 & 7, T24S-R29E, Eddy County, New Mexico

Mr. Jones and Mr. Lowe,

I work for Occidental Petroleum Corporation as a Land Negotiator in our Delaware New Mexico Division and wanted to make contact in regards to Compulsory Pooling Orders we received in January 2019. The NMOCD issued Compulsory Pooling Order Numbers R-20317, R-20318, R-20319 & R-20320 (attached) for working interest parties with whom OXY could not reach a voluntary agreement. Since the issuance of the orders, OXY and the remaining working interest parties have entered into a voluntary Operating Agreement rendering the Compulsory Pooling Orders moot.

As a result, OXY wishes to rescind the need for these orders and reduce any unnecessary work on your end with the periodic reporting requirements contained within the orders. Please, at your convenience, feel free to call or email for

further instructions in the rescission of the orders. I hope you, your families and your loved ones are all safe during these trying times.

Sincerely,

**Peter R. Van Liew, RPL**
