**Subject:** [EXT] Cases 20966-20968/Dismissal of certain parties

All: Kaiser-Francis Oil Company obtained the following pooling orders from the Division:

R-21151 in Case 20966  
R-21207 in Case 20967  
R-21152 in Case 20968

Two of the interest owners pooled by the orders were COG Operating LLC and Concho Oil & Gas LLC. Those two parties have now reached voluntary agreement with Kaiser-Francis Oil Company. As a result, they are not subject to the three pooling orders, and should be considered dismissed from these cases.

Thank you.
