Subject: [EXT] RE: Case 21156 / 21157
Attachments: Case 21157 C-102 Updated INLAND 26-23 B2PI STATE COM #1H.pdf

Good morning John,

The SHL locations included in the checklists and well proposal letters for both cases are correct.

I'm attaching an updated C-102 for Case No. 21157 that matches the checklist and well proposal letter.

In Case No. 21156, the difference between the SHL location included in the C-102 and the location in the checklist/well proposal is very minor and resulted from the use of a different rig. The location in the checklist/well proposal is correct.

Please let me know if you have any questions or need any additional information.

Thank you,
Dana

Subject: Case 21156 / 21157

Dana,

I am reviewing cases 21156 and 21157 from April 16th. I had the following questions if you could clarify:

1. Case 21156 the Checklist SHL does not match the C-102 but does match the letters to interest owners.
2. Case 21157 the Checklist SHL does not match the C-102 but does match the letters to interest owners.

Thank you,

John Garcia
