Subject: [EXT] RE: Duda Bides/Little Giant

Terry,

Mewbourne and Marathon reached an agreement concerning development. Marathon would like to dismiss its applications in Cases 16414, 16413, 20166, 20167, 20168, and 20201 for its Duda Bides and Homework Larry applications.

Thanks!

Jennifer

Beware of links/attachments.

Good morning,

Any idea when Marathon's Duda Bides **16414** Case and Mewbourne's competing Little Giants Cases 16492, 16493, 16494, and 16495 will actually be heard?

All five Cases are continued yet again to the July 23, 2020 Docket. As you might recall Case 16413 was heard Sept 20, 2018 and taken under advisement.

We haven't been able to draft the order for Case 16413 until the other five cases are heard.
Every week I get asked why no Hearing Order has been done on a case that was TUA almost two years ago.

Any help would be greatly appreciated.

Regards,
Terry
