Hearing Examiner Orth,

On behalf of Chevron U.S.A. Inc., I am writing in regards to Case Nos. 21240, 21241, 21244 and 21245. As you know, these cases have been scheduled for hearing on July 9, 2020, and an amended prehearing order was issued by the Division on June 19, 2020 addressing, among other things, pre-hearing filings and hearing procedures for these cases. We are pleased to report that Chevron and EOG Resources, Inc. are close to finalizing a settlement concerning the lands at issue in the above-referenced cases. Accordingly, it is Chevron's understanding that EOG will not oppose these applications and does not object to these cases being heard by affidavit at the July 9, 2020 Division hearing. To that end, Chevron respectfully requests that the amended prehearing order issued on June 19, 2020 be vacated as to Case Nos. 21240, 21241, 21244 and 21245, and that these cases are permitted to proceed by affidavit. Chevron will file affidavit testimony by Monday, July 6, 2020, and Chevron and EOG will file prehearing statements to this effect tomorrow as well.

Please let us know if you have questions or concerns.

Thank you,

Jill
