No. 21281

THE RIO GRANDE CHAPTER OF THE SIERRA CLUB'S  
NOTICE OF ERRATA FOR ITS  
NOTICE OF INTENT  
TO PRESENT NON-TECHNICAL AND TECHNICAL TESTIMONY

It has come to the attention of counsel for the Rio Grande Chapter of the Sierra Club (referred to as "the Sierra Club") that there were three errors in the Sierra Club's Notice of Intent to Present Non-Technical and Technical Testimony (referred to as "the Sierra Club's Notice of Intent") that the Sierra Club filed on July 17, 2020. Counsel for the Sierra Club is filing this Notice of Errata to ensure that there is no confusion.

1. In the third line from the bottom of page 2 of the Sierra Club's Notice of Intent, the sentence beginning with "Ms. Feibelman" should read: "Ms Feibelman has been employed by the Sierra Club since 2000 and has held various positions and participated in a multitude of technical rulemakings on the topics of environmental quality and protection."
2. On page 8 of the Sierra Club's Notice of Intent, in the last paragraph before the word "Conclusion", the first sentence should read: "In connection with his testimony, the Sierra Club will offer two exhibits: Mr. Gaume's resume, which is attached as Exhibit 2, and the Sierra Club's proposed changes to the regulation amendments proposed by the Division, which is attached as Exhibit 4."

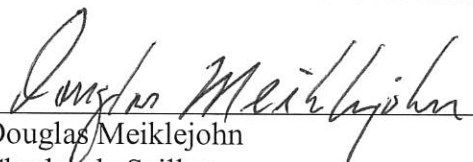

3. On the first page of Exhibit 4 to the Sierra Club's Notice of Intent, the explanatory note at the top of the page should read:

**(The Oil Conservation Division's proposed amendments are shown in black, and the Sierra Club's proposed changes to those amendments are shown in color.)**

Counsel for the Sierra Club apologizes to the members of the Commission and the other parties in this matter for any confusion that these errors may have caused.

Dated: July 23, 2020.
