**Attachments:** Revised - Ball 183529 1H - Case No. 21355.pdf; Revised Ball 183529 1H - WI Case No. 21355.pdf; Revised Ladder 1H WI - Case No. 21357.pdf

John: Catena has confirmed that in each case, only Marathon is being pooled. I have copied Marathon's counsel who appeared in the case.

Attached are amendments to the Exhibit A-3 in each case correcting the errors you noted below as follows:

- For Case 21355, there are only two tracts, and those tracts and the owners are identified in the first two attachments.
- For Case 21357, there are four tracts as reflected in the existing A-3 and the third attachment is an amended page showing the interest owners in each tract.

Thanks for catching these errors and Catena apologizes for the confusion. Let me know if you need anything else.

Michael,

I am currently reviewing Case 21355 and 21357.

Case 21355: I was wondering about Exhibit A3, it shows that there is four (4) tracts of ownership, but on page 2 of Exhibit A3 it only has WI Owners for tracts 1 and 3. What happen to tracts 2 and 4? Where these parties notified?

Case 21357: Has a similar situation with exhibit A3. This time tract 3 was not listed.

Thank you,

***John Garcia***
