CASE NO. 21364

ORDER ON MOTION FOR REFERRAL OF APPLICATIONS

Applicant Mewbourne Oil Company filed on July 15, 2020, a Motion for Referral of Applications to the Oil Conservation Commission for Hearing in Conjunction with Cases No. 21277-21280, originally set for *de novo* hearing before the Commission on September 17, 2020, and now stayed.

The Motion for referral was fully briefed, and arguments were held on the motion as part of the Division hearing docket on August 20, 2020.

For the reasons set out in the responses to the motion by Apache Corporation and Ascent Energy, and consistent with the order issued on August 25, 2020 by the Oil Conservation Commission in the related Commission cases 21277-80, Mewbourne's motion for referral directly to the Commission is denied.
