CASE NO. 20190

APPLICATION

Percussion Petroleum Operating, LLC ("Percussion") through its undersigned attorneys, hereby files this application with the Oil Conservation Division pursuant to the provisions of N.M. Stat. Ann. § 70-2-17, for an order pooling all uncommitted interests in the N. Seven Rivers; Glorieta-Yeso Pool (97565) comprised of the E/2E/2 of Section 34, Township 19 South, Range 25 East, NMPM, Eddy County, New Mexico. In support of its application, Percussion states:

1. Percussion Petroleum Operating, LLC (OGRID No. 371755) is a working interest owner in the proposed horizontal spacing unit and has the right to drill thereon.
2. Percussion proposes to dedicate the above-referenced spacing unit to its proposed **Lakewood Federal No. 20H Well**, which will be horizontally drilled from a surface location in the SE/4SE/4 (Unit P) of Section 27 to a standard bottom hole location in the SE/4SE/4 (Unit P) of Section 34.
3. The completed interval is at an orthodox well location pursuant to the Statewide rules for oil wells.
3. Percussion has sought and been unable to obtain voluntary agreement for the development of these lands from all of the working interest owners in the subject spacing unit.

5. The pooling of interests will avoid the drilling of unnecessary wells, will prevent waste and will protect correlative rights.

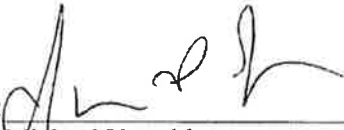

6. In order to permit Percussion to obtain its just and fair share of the oil and gas underlying the subject lands, all uncommitted interests in this proposed unit should be pooled and Percussion Petroleum Operating, LLC should be designated the operator of the proposed horizontal well and spacing unit.

WHEREFORE, Percussion requests that this application be set for hearing before an Examiner of the Oil Conservation Division on January 10, 2019, and, after notice and hearing as required by law, the Division enter an order:

- A. Pooling all uncommitted interests in the spacing unit;
- B. Designating Percussion Petroleum Operating, LLC operator of the horizontal spacing unit and the horizontal well to be drilled thereon;
- C. Authorizing Percussion to recover its costs of drilling, equipping and completing the well;
- D. Approving the actual operating charges and costs of supervision while drilling and after completion, together with a provision adjusting the rates pursuant to the COPAS accounting procedures; and
- E. Imposing a 200% charge for the risk assumed by Percussion in drilling and completing the well against any working interest owner who does not voluntarily participate in the drilling of the well.

CASE NO. 20190

AMENDED APPLICATION

Percussion Petroleum Operating, LLC ("Percussion") through its undersigned attorneys, hereby files this amended application with the Oil Conservation Division pursuant to the provisions of N.M. Stat. Ann. § 70-2-17, for an order pooling all uncommitted interests in the N. Seven Rivers; Glorieta-Yeso Pool (97565) from a depth of 2,803 to 3,700 feet underlying the E/2 E/2 of Section 34, Township 19 South, Range 25 East, NMPM, Eddy County, New Mexico. In support of its application, Percussion states:

1. Percussion Petroleum Operating, LLC (OGRID No. 371755) is a working interest owner in the proposed horizontal spacing unit and has the right to drill thereon.

3. The completed interval is at an orthodox well location pursuant to the Statewide rules for oil wells.
4. A depth severance exists in the Yeso formation in Section 34. Accordingly, Percussion seeks to pool only a portion of the N. Seven Rivers; Glorieta-Yeso Pool from the

5. Percussion has sought and been unable to obtain voluntary agreement for the development of these lands from all of the working interest owners in the subject spacing unit.

6. The pooling of interests will avoid the drilling of unnecessary wells, will prevent waste and will protect correlative rights.

7. In order to permit Percussion to obtain its just and fair share of the oil and gas underlying the subject lands, all uncommitted interests in this proposed unit should be pooled and Percussion Petroleum Operating, LLC should be designated the operator of the proposed horizontal well and spacing unit.

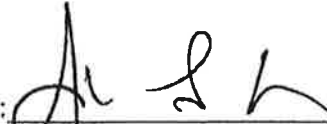

WHEREFORE, Percussion requests that this amended application be set for hearing before an Examiner of the Oil Conservation Division on February 7, 2019, and, after notice and hearing as required by law, the Division enter an order:
