**STATEMENT OF THE CASE**

Steward's application seeks an order pooling all uncommitted mineral interests in the San Andres formation in a 160-acre, more or less, standard horizontal spacing unit comprised of the E/2 E/2 of Section 22, Township 13 South, Range 38 East in Lea County, New Mexico. The horizontal spacing unit will be dedicated to the Combo Fee #1H well, which will be horizontally drilled from a surface location in Unit P in Section 15, Township 13 South, Range 38 East to a bottom hole location in Unit P in Section 22, Township 13 South, Range 38 East. The completed interval of the well will be orthodox. Also to be considered will be the costs of drilling and

completing the well and the allocation of the costs, the designation of Steward as the operator of the well, and a 200% charge for the risk involved in drilling and completing the well. The granting of Steward's application will serve the interests of conservation, the protection of correlative rights, and the prevention of waste.
