Does this include case no. 21515?
Also, in the future, please let me know before 8:15 am on the Tuesday preceding the hearing if you need me to note cases as a status conference.
Thank you.

Hi Marlene, thanks for letting us know. Please set these cases for a status conference since they are opposed by Texas Standard.

Best,

Kaitlyn

Good morning,
These have not been set for status conference, I do not have any request for this so the division is assuming these will be heard tomorrow.

Hi, thanks for checking in. Texas Standard entered in opposition to this case proceeding by affidavit after Manzano filed its prehearing statement. Texas Standard has competing pooling applications and it was my understanding that Jim would be checking with Marlene to confirm this is set for a status conference tomorrow. Let us know if you have any other questions.

Thanks,

Kaitlyn

Kaitlyn,

I don't know if you have these CP cases but I do not have the Exhibits for them for the Hearing tomorrow. Please let me know if they were sent and I just do not see them...
