(4) *Sanction(s):* OCD may impose one or more of the following sanctions for the alleged violation:

- civil penalty

For the alleged violations described above, OCD proposes the following civil penalties:

19.15.28(B)(3) NMAC:	\$ 1,200
19.15.9.8(C) NMAC:	\$ 600

OCD will take into consideration the alleged violator's good faith effort to comply with the applicable requirements.

(5) *Informal Review and Resolution:* A process is available for the informal review and resolution of the alleged violation(s) in the NOV. To initiate the informal review process, contact the OCD employee identified at the end of this letter. If OCD and the alleged violator agree to resolve the alleged violations in the NOV, the agreement will be incorporated into a stipulated final order signed by both parties and stating that the alleged violator admits OCD's jurisdiction to file the NOV, consents to the specified relief, including the civil penalty, if any, and waives the right of review by the Oil Conservation Commission.

(6) *Hearing:* If this NOV is not resolved within thirty (30) days of receipt of service, OCD will hold a hearing on November 18, 2020. Please see 19.15.5.10 NMAC for more information regarding the hearing. However, please note that the hearing does not prohibit OCD from negotiating with the alleged violator at any time to settle the NOV.
