Subject: [EXT] March 4 docket - Longfellow's Hendrix State Com 1H-5H wells (Case 21651 on March 4 docket)/Spur's Aid North (Case 21733 on April 8 docket)

Good afternoon,

Spur opposes the Longfellow pooling requested in Case No. 21651 proceeding by affidavit on the March 4 docket. Spur has a competing development plan and has filed its application for pooling in Case No. 21733, currently set on the April 8 docket. For that reason, the parties request the March 4 setting in Case No. 21651 be converted to a status conference for the consolidated cases to be set for a contested hearing.

Thanks,

Kaitlyn
