**Subject:** [EXT] Case Nos. 21651 & 21733

All,

These two competing cases, Nos. 21651 & 21733, are on the May 20 docket for a contested hearing. The respective applicants, Longfellow and Spur Energy, have agreed to continue the contested hearing to the June 17 docket for purposes of negotiating a potential resolution. The applicants ask that the Hearing Examiner enter an amended prehearing order to that effect. When the prehearing order has been entered, the parties will file the requisite motions for continuance.

Many thanks for your help. Please let us know if you have any questions or additional instructions.

Best,  
Sharon
