1 HEARING EXAMINER BRANCARD: Good morning. This is a  
2 hearing of the New Mexico Oil Conservation Division. My  
3 name he is Bill Brancard. I'm the hearing examiner. With  
me today is our Technical Examiner Leonard Lowe. Mr. Lowe,  
are you here? .

4 EXAMINER LOWE: Good morning. I am. Yes, I am.

5 HEARING EXAMINER BRANCARD: Excellent. We have  
6 a court reporter today, so please speak clearly, slowly.  
7 You don't want to have your words garbled on the  
8 transcript. We have a full agenda today but I think we  
9 can get through it easily.

10 A few announcements. There was a Notice  
11 filed that all of you should have a copy of, that all  
12 pleadings should be filed through our portal system using  
13 your client's OGRID number. If the client doesn't have an  
14 OGRID number, you can still just send it in via emailSo  
15 with that I will also note that we really need parties to  
16 file continuances after we declare a Prehearing Order or  
17 Scheduling Order in a case; otherwise we can't get the  
18 cases docketed, and so it makes for a confusing docket so  
19 we don't realize how many cases are on the dockets in the  
20 following months. So please file your continuances really  
21 quickly after a Scheduling Order is issued with that, we  
22 can start this morning.
