Thank you Mr. Lamkin. After discussing with 3Bear, it is anticipated that they may still need the extension and would like to extend the order in 2022. Thanks again and please let me know if you need anything additional.

Mr. White et al.,

After reviewing the order for the subject well I noticed that it states that the order is valid for 3 years. Therefore, the expiration is not until July of 2022, currently. Is it still 3Bear's wish to extend the order? If so, we can still issue an extension, but it would not get issued until 2022. Please let me know how you wish to proceed.

Kind regards,

**Baylen Lamkin**
