**APPLICATION OF CENTENNIAL RESOURCE
PRODUCTION, LLC FOR COMPULSORY POOLING,
LEA COUNTY, NEW MEXICO.**

Case No. 22252

**ATLAS OBO ENERGY LP
OPPOSED MOTION FOR CONTINUANCE**

COMES NOW Kearney, McWilliams & Davis, counsel for Atlas OBO Energy LP (hereinafter “Atlas”), and moves for a continuance of the hearing currently scheduled in this matter to begin on November 4, 2021. This motion is prompted by the fact that counsel for Atlas was only recently engaged in this matter and needs time to review the underlying facts and pleadings. Additionally, the Application of Centennial Resource Production, LLC (hereinafter “Centennial”) for Compulsory Pooling was filed on October 1, 2021. Atlas did not receive notice from Centennial of said Application until October 22, 2021. Going forward with the hearing at this time would irrevocably harm Atlas.

WHEREFORE, Atlas respectfully requests that the hearing scheduled for Case No. 22252 be continued until the next available hearing date. Counsel for Atlas has consulted with counsel for Centennial, and Centennial opposes this motion.

Respectfully submitted November 1, 2021.
