2 EXAMINER BRANCARD: Here we are, November 4,
3 2021. Its the hearing of the New Mexico Oil Conservation
4 Division. I am Bill Brancard. I am the hearing examiner
5 for today. Mr. Dean McClure will be our technical
6 examiner.

7 Mr. McClure, you're here?

8 EXAMINER McCLURE: Yes, sir, I am.

9 EXAMINER BRANCARD: Excellent.

10 We have a court reporter, Ms. Macfarlane,
11 with us, so as always please speak clearly and slowly so
12 we can get everything transcribed.

13 We have a docket sheet/worksheet listed on
14 our website, Final Docket Sheet for November 4, 2021, I
15 believe 54 cases listed today. Many of them are status
16 conferences.

17 Mr. McClure, do you have announcements for
18 today?

19 EXAMINER McCLURE: I don't have any.

20 EXAMINER BRANCARD: Okay. As always, we're
21 doing these hearings remotely. My only announcement,
22 which I forgot to mention last time: We've been noticing
23 that parties seem to be occasionally throwing in requests
24 in their applications for some additional
25 considerations -- you know, like Decaf Cappuccino, extra

1 whip -- but we don't really read these applications
2 until we get close to the hearing, so if you want some
3 additional relief you really need to file a separate piece
4 of paper to get our attention. So just fair warning
5 there. Just because you made a request in an application
6 doesn't mean that it's going to get acted on.

7 With that we are ready to start. We have a
8 series of status conferences.
