2 EXAMINER BRANCARD: It is January 6th of our new
3 year, 2022. This is a hearing of the Oil Conservation
4 Division, which is still here, and I am Bill Brancard. I
5 will be the hearing examiner today. With me today is John
6 Garcia, who will be technical examiner for almost all of
7 the hearings. I think at the end we may have some special
8 examiners joining us for one or more of the last few
9 hearings.

10 This hearing is being transcribed, so
11 please speak clearly and slowly so we can get all your
12 important words on paper. The worksheet for today is
13 listed on our website. It was posted yesterday, I
14 believe, all 89 cases.

15 We are going to start with some status
16 conferences, then go to a few continuations, and then go
17 to a slew of hearings. So hang on.
