Compulsory pooling application/hearing CASE NO. 22745, 22746, 22747, 22748

Message

Dear Commissioner or to whom it may concern,

I received certified mail on July 29, 2022, notifying me the Matador Production Company filed an application with the New Mexico Oil Conservation Division to force pooling of my minerals rights.

A hearing is scheduled on August 18, 2022. I am unable to attend this hearing due to work commitments.

I respectfully request a 30-day extension to hire someone to investigate this matter and advise me on my rights in these cases and the consequences of the forced pooling action.

Thank you,

Sincerely,

Celeste Martley
