Re: Case Nos. 14640 and 14641: Applications of Burnett Oil Co., Inc. for compulsory pooling, Eddy County, New Mexico.

Dear Ms. Bailey:

COG Operating, LLC ("Concho") requests that the hearing on the above-referenced applications, currently scheduled for May 12, 2011, be continued to the Oil Conservation Division hearing scheduled for May 26, 2011. These cases may have inadvertently been placed on the May 12th docket because Examiner David Brooks previously continued the cases to be heard on the May 26, 2011 docket in order to be heard with competing pooling applications filed by Concho. Counsel for Burnett does not object to this request.

Your attention to this matter is appreciated.

Very truly yours,
