

**STATE OF NEW MEXICO  
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT  
OIL CONSERVATION DIVISION**

**APPLICATION OF PERMIAN RESOURCES  
OPERATING, LLC FOR COMPULSORY POOLING,  
EDDY COUNTY, NEW MEXICO.**

**CASE NO. 24963**

**MOTION TO WITHDRAW MOTION TO STRIKE  
AND REQUEST FOR STATUS CONFERENCE**

Permian Resources Operating, LLC (“Permian”) hereby submits this motion to withdraw its motion to strike and requests that the Division set a status conference.

Permian completed its investigation into the mineral interest claimed by Jonathan Samaniego, currently leased to American Energy Resources (“AER”), and concluded that Mr. Samaniego likely owns .05 net mineral acres in Permian’s proposed spacing unit.

Mr. Samaniego, representative of AER, has received notice of this matter and objected. Therefore, Permian requests a status conference be set for the December 19, 2024, hearing so a contested hearing date can be scheduled for this case and a prehearing order issued by the Division.

WHEREFORE, Permian respectfully requests that its motion to strike be withdrawn and that this matter be set for a status conference by the Division.

Respectfully submitted,

**HOLLAND & HART, LLP**
