CASE NOS. 25299 & 25300

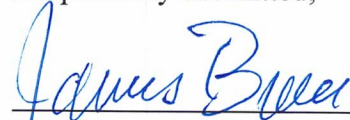

REVISED MOTION TO DISMISS

MRC Permian Company ("MRC") hereby requests that Case Nos. 25299 and 25300 be dismissed, and in support thereof, states:

1. MRC filed applications in Case Nos. 24943 and 224982 to pool certain acreage in Section 18 of Township South, Range 29 East, NMPM. The cases applications contained some typos, which MRC corrected. The corrected applications were filed and designated Case Nos. 22399 and 25300 by the Division.
2. Case Nos. 24943 and 224982 were subsequently dismissed.
3. MRCS's Case Nos. 25299 and 25300 are in conflict with Case Nos. 25091 and 25259 filed by Cimarex Energy Co. ("Cimarex").
4. After MRCs corrected applications were filed and notice was given, MRC and Cimarex settled their differences. The settlement required MRC's cases to be dismissed. That is the purpose of this motion. Thus, Cimarex's cases are no longer contested.

WHEREFORE, MRC requests that Case Nos. 25299 and 25300 be dismissed.

Respectfully submitted,
