STATEMENT OF THE CASE

APPLICANT

OPPONENT

Applicant seeks an order approving simultaneous dedication of its proposed Rosa Unit Well No. 242A (a horizontal well) with the existing Rosa Unit Well No. 242. The E/2 of Section 33, Township 32 North, Range 6 West, N.M.P.M. is dedicated to wells in the Fruitland Coal formation. The terminus of Well No. 242A will be located 96 feet from the E/2 of Section 33, which is a communitized tract in which San Juan owns an interest.

The severely unorthodox location will drain Fruitland Coal reserves from San Juan's communitized well unit, and adversely affect its correlative rights. Therefore, San Juan opposes the application, in particular the well's proposed unorthodox location.
