COG Operating LLC (COG) brings this Motion to Consolidate Case Nos. 14558 and 14577 for the purposes of the De Novo Hearing before the Oil Conservation Commission. In support of this Motion COG states as follows:

1. Combining the matters for hearing will save the parties and OCC time and expenses;
2. Both cases address the proposal to extend the vertical limits of a unit in one case and a pool in the other case and in both cases the proposed expansion is the same;
3. Combining the cases will avoid repetitive hearings on the same facts regarding ownership, geology and economic concerns; and
4. Counsel for ConocoPhillips Company has indicated he will not oppose this Motion.
