Will check, but that is ok with me. Since my witness is unavailable in September, I have no choice.

Ocean and Jim, Jami just told me that the Marshall & Winston-David Arrington De Novo cases scheduled for September 22 will be continued. Cheryl Bada is not in today but will write a continuance order tomorrow which will state that the cases will not be continued again, no way, nohow. As you both know, the horizontal well rulemaking case is scheduled for October 20 and NMOGA's frac rulemaking case is scheduled for November 17. Jami has told me she doesn't want any other cases scheduled for either one of those dates. That leaves December 8. Will it be a problem for either one of you if the Arrington-Marshall & Winston cases are continued to that date?

Florene – Jim Bruce just called me and he indicated you needed a response to his request for a continuance of the Arrington and Marshall & Winston matters before the OCC. Arrington has no objection to his request.

Thanks,  
Ocean

Jami told me last Friday that she is waiting to talk to Cheryl and for a response from Ocean and Bill before she makes a decision to grant or not grant your continuance request. I hope to find out sometime today what her decision is.
