

1 EXAMINER BROOKS: I guess I have another case  
2 lurking in here somewhere, 14659, and that is Number 20 on  
3 the docket. At this time we call number 14659, Application  
4 of Cimarex Energy Company for non-standard spacing unit  
5 proration unit and compulsory pooling. Chavez County, New  
6 Mexico.

7 MR. BRUCE: Mr. Examiner, Jim Bruce of Santa Fe. I  
8 request that that case be continued to September 1.

9 EXAMINER BROOKS: I had that marked to be continued,  
10 that's why I couldn't find it, but it's still in the file.  
11 So Case Number 14659 will be continued to September 1. Is  
12 there another case here somewhere that I don't have a file  
13 for? Any other?

14 MR. BRUCE: I don't think so. I think that's all.

15 EXAMINER BROOKS: Okay. You were still sitting  
16 there, I thought -- I thought had you another case that I  
17 dismissed late.

18 EXAMINER WARNELL: So this docket started with 48  
19 cases.

20 EXAMINER BROOKS: It got down to five, all  
21 uncontested, and there were three or four contested cases  
22 originally. Actually, there were three or four that were  
23 contested, all those COG and Burnett.

24 Okay. The docket stands adjourned.

25 (Adjourned.)

I do hereby certify that the foregoing is  
a complete record of the proceedings in  
the Examiner hearing of Case No. 14659  
heard by me on 8-4-11
