Richard: As we discussed yesterday, COG and Cimarex have reached a letter agreement. Under that agreement, the parties are to continue the competing pooling cases until after closing. Therefore, please continue Case Nos. 14791-14795 (COG's pooling cases) until the March 15th docket. I understand that Jim Bruce will be contacting you shortly to request a continuance of the competing Cimarex pooling cases.

Thanks for your attention to these matters.

Richard: I believe that a prehearing conference on Tuesday would be beneficial.

It is my understanding that parties are very close to agreement on these cases. Please correct me if I am wrong. If negotiations have broken down irretrievably, will these cases be heard on February 2? It will take approximately 8 hours to hear these cases. Do we need a pre-hearing conference? Please comment appropriately. Thank you.
