**Subject:** Case 14812: COG pooling application for Arabian 2H well (E/2 W/2 Section 6, T-19-S, R-26-E)

In reviewing the file following the hearing today, we discovered that COG did not have an address for Wanda Lawrence, one of the pooled parties shown on COG Ex. 2 presented today. Accordingly, we intend to publish notice in the newspaper of an additional hearing in this matter on April 26th pursuant to 19.15.4.12.B NMAC. That notice will specifically list Ms. Lawrence and COG will submit proof of that publication at the April 26th hearing.

We therefore request that Case No. 14812 be continued to the April 26th docket so that this particular notice issue can be addressed.

Thank you for your attention to this matter.
