We have no problem continuing to June 25 as long as this is not the third continuance resulting in a dismissal. My understanding from Earl is that we are just waiting on some final edits and a signed agreement from Cimarex for Nearburg to sign, but that we have a verbal agreement on an OA.

Let me know if my understanding is not accurate. As long as the case will not be dismissed, we will agree to a continuance.

Best,  
Adam

Dear Will--The last I heard Cimarex and Nearburg are still working on the settlement documents.  
We may need to continue to the June 25th docket so that they can finish up.

Adam--is it okay with Nearburg if we continue to the June 25th docket

Hello Tom and Adam,

Was wondering about this case for tomorrow?

I will be the examiner but David Brooks has this case and he is sick today – no one knows whether he will be there tomorrow.

Will
