Tommy,

You are correct... we are keeping funds in holding account. However, would like to verify.

Philana, can you figure out what wells these particular pooling orders are for? Wayne, are we keeping payout statements? Thanks.

George,

Just received this from the NMOCD. Apparently, the four cases cited are compulsory pooling cases. I'm guessing that you haven't deposited monies with an escrow agent, and that you are simply maintaining an internal accounting for interest owners who have been force pooled. Let me know how you have been handling this. Note the July 18 compliance deadline.

Tommy
