1 EXAMINER JONES: Let's call this hearing to order,
2 this Examiner Hearing for Thursday, January 19, 2012, Docket
3 Number 3-12. First let's call the continuances and
4 dismissals, as I understand them.

5 On Page 1, Case 14782 is continued to February 16.
6 Case 14783 is continued to February 16. Case 14786 is
7 dismissed.

8 On Page 2, Case 14746 is continued to February 2.
9 Case 14787 is continued to February 2. Case 14743 is
10 dismissed. Case 14729 was dismissed.

1 And we were asked by the Director to make an
2 announcement to the attorneys about continuing cases,
3 Examiner cases. She mentioned the need to not continue these
4 indefinitely and try to limit it to three continuances. Is
5 that right, David?

6 EXAMINER BROOKS: My understanding is that we have
7 been directed that after the third continuance, the case will
8 be dismissed. And I think that policy was tried once a long
9 time ago by Former Director Rotenberry, and it didn't last
10 very long, but I think we may have a more determined person
11 at the helm this time, so I guess we all need to prepare for
12 a lot of dismissals.
