Florene,

Because COG anticipated Cimarex's objection, we filed an application for hearing on this matter on August 21. The application has been designated Case No. 14903 and is currently on the September 20th docket.

Thank you.

Adam, David Brooks told me we have received an objection from Cimarex Energy Company to your administrative application for the COG Operating LLC Patton 5 Fee Well No. 4H in Section 5, Township 19 South, Range 26 East. We can set this for the October 18 examiner hearing if you would like. Please let me know if this is satisfactory with you.

Thank you.

Florene

Gentlemen

We have received a protest of the non-standard location application for the referenced well.

Accordingly, the matter will be set for hearing.
