NOTICE OF APPLICANT INDEPENDENT PETROLEUM ASSOCIATION OF NEW MEXICO'S MODIFICATIONS TO THEIR PETITION FOR RULEMAKING TITLE 19, CHAPTER 15, PART 17

I

The Independent Petroleum Association of New Mexico (IPANM), the applicant in the above captioned matter, hereby files the attached proposed modifications to our application for consideration by the New Mexico Conservation Commission (Commission) pursuant to 19.15.3.11(C) NMRA. These modifications replace the proposed amendments filed with IPANM's application for rulemaking in this matter. - A. To adopt many of the modifications filed by the New Mexico Oil Conservation Division; and
- B. To adopt many of the modifications filed by the New Mexico Oil and Gas Association.

IPANM believes the proposed modifications to Title 19, Chapter 15, Part 17 will clarify our petition, will assist the Oil Conservation Commission in the statutory mandates of protection of correlative rights and prevention of waste while protecting public health and the environment.

Respectfully Submitted,
