

Ed Hasely
Sr. Environmental Engineer
Energen Resources, Inc.
2010 Afton Place
Farmington, NM 87401
Ed.hasely@energen.com

I have been employed by Energen Resources, Inc. as a Sr. Environmental Engineer since 2007. My responsibilities include all air issues, along with general water and waste environmental issues such as implementation of the Pit Rule. Prior to Energen, I worked for Burlington Resources (now ConocoPhillips) in the San Juan Basin for 10 years as an Environmental Specialist. My environmental work history also includes 10 years with Phillips Petroleum (now ConocoPhillips) in Casper, Wyoming; Bartlesville, Oklahoma; Lafayette, Louisiana; and Farmington, New Mexico. I also was employed by Phillips Petroleum as a Production Engineer for 5 years. I have a bachelors of science degree in Petroleum and Natural Gas Engineering from the Pennsylvania State University.
