Re: Application of Bass Enterprises Production Co. for an order authorizing the drilling of a well in the Potash Area, Eddy County, New Mexico.

Gentlemen:

This letter is to advise you that Bass Enterprises Production Co. has filed the enclosed application with the New Mexico Oil Conservation Division seeking an order approving the drilling of its James Ranch Unit Well No. 93 to be located at an orthodox well location in the N/2 of Section 7, Township 23 South, Range 31 East, NMPM, Eddy County, New Mexico. This acreage is located in the Potash Area as defined by Division Order No. R-111-P.

This application has been set for hearing before a Division Examiner on November 4, 2004. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe offices. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Pre-Hearing Statement at the Santa Fe Office of the Oil Conservation Division located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505, three days in advance of a scheduled hearing. This statement must include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at

October 13, 2004

HOLLAND & HART^{LLP}

the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

Very truly yours,

William F. Carr
Attorney for Bass Enterprises
Production Co.

CASE 13367:

Application of Bass Enterprises Production Co. for an order authorizing the drilling of a well in the Potash Area, Eddy County, New Mexico. Applicant seeks an order approving the drilling of its proposed James Ranch Unit Well No. 93 within the Potash Area at a location 660 feet from the North and East lines (Unit A) of Section 7, Township 23

South, Range 31 East, NMPM, Eddy County, New Mexico. This well will be drilled to an approximate depth of 14,800 to test all formations from the surface to the base of the Morrow formation. Los Medanos-Morrow Gas Pool and will be at a standard location in all formations. Said location is within the Potash Area and approximately 10 miles east of Carlsbad, New Mexico.
