ORDER OF THE COMMISSION

This matter comes before the Oil Conservation Commission ("Commission") on a Motion to Continue Hearing ("Motion") filed by Randy and Naomi Smith and the Smith Farm and Ranch on November 19, 2012. The Motion requests that the hearing in this Case, which is currently scheduled for December 6, 2012, be continued due to the unavailability of a witness. The Applicant, DCP Midstream, LP, opposes the Motion. However, both parties have agreed that, if the Motion is granted, the parties are available on certain dates in December, 2012.

NOW THEREFORE the Commission grants the Motion and reschedules the hearing in the Case to a special meeting of the Commission on December 20, 2012, in Santa Fe, New Mexico.

Done in Santa Fe, New Mexico, this 27th day of November, 2012.
