Dear Ms. Bailey

On behalf of Heritage Petroleum, Inc., enclosed for filing in each of the referenced cases are two copies of our Request for Production of Documents. By way of explanation, it is acknowledged that the Division's procedural rules do not provide for requests for production. However, counsel for the parties are engaging in cooperative discovery in this manner, so the Request for Production is being filed for purposes of completeness of the record only.

Thank you for your cooperation.

Very truly yours,

J. Scott Hall
