**Re: Hunt Oil Company's
Elk Com 34 #1-H Well
Section 34: All
Township 26 North, Range 2 West
Rio Arriba County, New Mexico**

Dear Mr. Karmelich,

We represent Hunt Oil Company in providing contract petroleum land services. Hunt has proposed the above referenced well and in preparation of same, has drafted the enclosed Communitization Agreement. By assignment dated February 19, 1958 and recorded in Book 34 at Page 78, records of Rio Arriba County, NM (copy attached), L. W. Wickes Agent Corp. assigned Federal Oil and Gas Lease NM 01397 to San Juan Gas Corporation reserving an overriding royalty interest of 1 percent of 100 percent in and to the oil and gas produced and saved from the aforementioned lease. The language in said assignment does not contain a pooling provision and in order to put your interest in line for payment should Hunt be successful in drilling this well, we need you to join in the Communitization Agreement. As previously stated, we have enclosed an original Com-Agreement in triplicate for your review and execution along with a copy, stamped "File Copy" for your files. At your earliest convenience, please execute the agreement in triplicate, have all three originals notarized and return them to me via Federal Express under the return air bill enclosed. Should you have any questions, please advise.

Sincerely,
