STATEMENT OF THE CASE

APPLICANT:

At the Division hearing held on November 29, 2012, Burlington Resources Oil & Gas Company LP presented its testimony and exhibits for this case.

Because the OCD docket advertisement for this case did not include the "Mancos," the case was continued to January 24, 2013 and the advertisement was corrected.

The applicant's notice of hearing, the application and evidence correctly included the Mancos. The only error was the OCD docket's notice.
