**TO: AFFECTED INTEREST OWNERS**

**Re: Application of Nearburg Exploration Company, LLC for non-standard spacing and proration unit and compulsory pooling; Lea County, New Mexico - Laguna 23 Fed Com Well No. 1H**

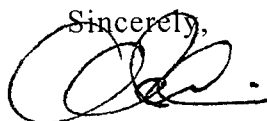

This letter is to advise you that Nearburg Exploration Co., LLC has filed the enclosed application with the New Mexico Oil Conservation Division seeking an order pooling all mineral interests in Bone Spring formation. As an interest owner subject to this pooling application, you are entitled to notice of this application.

This application has been set for hearing before a Division Examiner at 8:15 a.m. on December 13, 2012. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Pre-hearing Statement four days in advance of a scheduled hearing. This statement must be filed at the Division's Santa Fe office at the above specified address and should include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

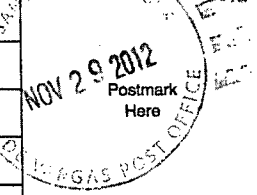

Questions concerning this application should be directed to Terrence Gant, Midland Manager at (432) 528-1121.

Sincerely,

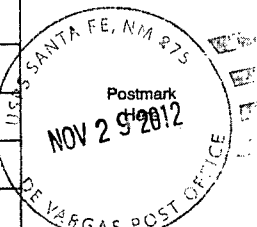

Adam G. Rankin

**TO: OFFSET OWNERS**

**Re: Application of Nearburg Exploration Company, LLC for non-standard spacing and proration unit and compulsory pooling; Lea County, New Mexico - Laguna 23 Fed Com Well No. 1H**

This letter is to advise you that Nearburg Exploration Co. LLC has filed the enclosed application with the New Mexico Oil Conservation Division seeking an order creating a non-standard spacing unit comprised of the E/2 W/2 of Section 23, Township 20 South, Range 34 East, NMPM, Lea County, New Mexico. As a mineral lessee or operator in the offsetting properties, you are entitled to notice of this application.

This application has been set for hearing before a Division Examiner at 8:15 AM on December 13, 2012. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Pre-Hearing Statement with the Oil Conservation Division's Santa Fe office, four days in advance of a scheduled hearing, but at least on the Thursday preceding the hearing. This statement must include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

Questions concerning this application should be directed to Terrence Gant, Midland Manager at (432) 528-1121.

Sincerely,

Adam G. Rankin
