Richard: Devon agrees that 4/30 would be a much better date.

Dear Ocean and Gentlemen

I want to make this work, as nearly as possible, for everyone. But if, as joint owners y'all can't agree on where a well should be drilled, we cannot decide that without hearing technical testimony from both sides.

We need a conference on this. Unfortunately, Richard and I have a mandatory meeting this afternoon, and I do not know how long it will last. I have a case before the Commission tomorrow for which the time requirements are not precisely knowable. I can be available for a phone conference this afternoon after the meeting, or before 9:00 am tomorrow – probably also later tomorrow, but hard to know exactly when.

Scott, Jim, and Richard, please signify your availability for such a phone conference.

David

Respectfully,

I ask that this decision be held in abeyance so that the Division may consider the attached response.

The pre-hearing conference is cancelled. These cases will be continued to May 2, 2013. We may expedite the order in these cases shortly after the hearing. Thank you all and have a nice weekend.

Richard,
Sorry, I didn't make myself clear.
I won't have witnesses at the pre-hearing conference.
They are coming over to prepare for the hearing on Thursday.

Scott:

I do not think we need witnesses for a pre-hearing conference. The conference is to determine whether the cases should be continued. The earlier times you suggested are not available here. Thank you.

My witnesses are on a flight that leaves Midland at 12:13 p.m. on Tuesday.
Is it possible to have the conference earlier in the day, or even on Monday?
