Good morning, Adam

The transcript reflects two commitments to supply additional info:

1. Page 73: Mr. Pecore – supplemental report on cost-benefit analysis
2. Page 87: Mr. Rankin – Electronic version of Attachment 4 to C-108

Have these items been furnished. If so, please advise date sent, if sent by email or physical delivery, and if by email, whether or not I was an addressee or cc.

If not sent, please furnish if you can.

Thanks

David Brooks
