Dear Mr. Bruce:

The Oil Conservation Division (OCD) received your letter dated June 25, 2013 regarding the referenced subject. It is our understanding that because of DCP gas capacity issues, this well cannot be drilled at this time

The OCD has reviewed your request and hereby extends the date to commence the drilling of this well to March 31, 2014.

If you have any question, please contact Richard Ezeanyim at (505)-476-3467

Sincerely;

Jami Bailey
