STATE OF NEW MEXICO ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT OIL CONSERVATION DIVISION

IN THE MATTER OF THE HEARING CALLED BY THE OIL CONSERVATION DIVISION FOR THE PURPOSE OF CONSIDERING:

APPLICATION OF MEWBOURNE OIL COMPANY FOR A NON-STANDARD OIL SPACING AND PRORATION UNIT AND COMPULSORY POOLING, LEA COUNTY, NEW MEXICO.

Case No. 15,065

2014 JAN - 8 P 3:

RECEIVED OCE

VERIFIED STATEMENT OF COREY MITCHELL

Corey Mitchell, being duly sworn upon his oath, deposes and states:

1. I am a landman for Mewbourne Oil Company ("Mewbourne"), and have personal knowledge of the matters stated herein.

2. Pursuant to NMAC 19.15.4.12.A(1), the following information is submitted in support of the compulsory pooling application filed herein:

(a) The purpose of this application is to force pool a record title owner in a federal lease for purposes of obtaining Bureau of Land Mänagement approval of a communitization agreement.

(b) No opposition is expected because the record title owner being pooled has been contacted regarding the proposed well, but refuses to respond or to sign the communitization agreement.

(c) A plat outlining the unit being pooled is attached hereto as Attachment A. Mewbourne Oil Company seeks an order approving a 160-acre non-standard oil spacing and proration unit (project area) in the Bone Spring formation comprised of the S/2S/2 of Section 17, Township 19 South, Range 33 East, NMPM. Applicant further seeks the pooling of all mineral interests in the Bone Spring formation underlying the non-standard spacing and proration unit (project area) for all pools or formations developed on 40 acre spacing within that vertical extent. The unit is to be dedicated to the Excalibur 17 MP Fed. Com. Well No. 1, a horizontal well with a surface location 500 feet from the south line and 20 feet from the west line, and a terminus 500 feet from the south line and 330 feet from the east line, of Section 17.

Oil Conservation Division Cuse No. _____ Exhibit No. 15065

وبسورة

(d) The party being pooled and its record title interest in the S/2SE/4 of Section 17 (Federal Lease NM 077004), being a portion of the well unit, is as follows:

Edward R. Hudson Trust No. 412.5%c/o Ard Oil, Ltd.222 West 4th Street, PH-5Fort Worth, Texas 761022

(e) A copy of the proposal letter sent to the record title owner is attached hereto as Attachment B. Over the last several years Mewbourne has sent numerous well proposals and requests to execute communitization agreements to Ard Oil, Ltd., and has never received any response.

(f) Mewbourne has made a good faith effort to obtain the voluntary joinder of the interest owner in the communitization agreement for the proposed well.

(g) Because the pooled parties own only record title, a risk charge is not requested.

(h) Because the pooled party owns only record title, overhead charges are not requested.

(i) The offset operators or working interest owners are listed on Attachment C.

(j) Applicant requests that it be designated operator of the well.
