Thank you Florene. I included that date at the request of my client. May 1 is fine. Please have a nice evening.

Sincerely,

I received your application on behalf of OXY USA Inc. for a non-standard spacing and proration unit and compulsory pooling in Section 26, Township 23 South, Range 30 East, Eddy County, New Mexico. The cover letter requested an April 17, 2014 hearing date. The deadline for filing for that date has passed, and this application will be set for the May 1, 2014 hearing. Please let me know if this is acceptable to you.

Thank you.
