Westchester Fire Insurance Company Bond No. 610-031501-1

Ladies and Gentlemen:

You are hereby notified that the New Mexico Oil Conservation Division has filed the referenced Application, a copy of which is enclosed herewith, seeking an Order requiring Cecil Lee's Company or his surety to properly plug and abandon two (2) wells located in Lea County, New Mexico, specifically identified in said application.

A hearing on this Application will take place before a Division hearing officer on Thursday, February 21, 2002, at 8:15 a.m., in the Division Hearing Room, First Floor, 1220 South St. Francis Drive in Santa Fe, New Mexico. At that hearing you will have an opportunity to show cause, if any there be, why an order should not be entered as requested in the Application.

The referenced surety bond no. 610-031501-1 was cancelled as to future liability effective December 26, 1984. However it remains in effect with respect to any property or wells acquired, started or drilled prior to that date.

Inquiries concerning this application may be directed to the undersigned in the Santa Fe office of the Division at (505)-476-3450.

Very truly yours,

David K. Brooks
Assistant General Counsel
