

Summary of Communications
True Grit "8" B3BO Federal Com No. 1H

Karlos Bill Kothman

- 1) Mailed well proposal letter with AFE via certified mail dated 1-21-2014. Letter also contained option to lease interest in lieu of participating.
- 2) Received green card signed by Sheba Kothman.
- 3) 3-3-2014, Jim Bruce received a phone call from Ken Kothman (son of Karlos) inquiring about what was going on. Jim sent me an email requesting I get in touch with Mr. Kothman. I called Mr. Kothman and a lady answered the phone and said this property was being forwarded to an attorney for further handling. I have not heard anything since from Mr. Kothman or an attorney.

Shackelford Oil Properties, Inc.

- 1) Mailed well proposal letter with AFE via certified mail dated 1-21-2014. Letter also contained option to lease interest in lieu of participating.
- 2) Received green card signed by Sam Shackelford.
- 3) 1-28-2014, talked with Mr. Shackelford about our proposal. He said he would prefer to lease his interest but was concerned that our bonus amount was too low. I informed Mr. Shackelford that the bonus amount we were offering was the most we had paid in the area for a lease. He said he would do some research and get back to me when he got back to his office. I have not heard back from Shackelford.

Henry Clark and Burnetta Clark

- 1) Mailed well proposal letter with AFE via certified mail dated 1-21-2014. Letter also contained option to lease interest in lieu of participating.
- 2) Received green card signed by J. Clark.
- 3) 1-25-2014, received email from Frank Clark stating Henry and Burnetta Clark have passed away. He said him and his siblings would like to lease.
- 4) 1-27-2014, emailed Frank Clark back inquiring if his parents had a will. He emailed me back giving a brief history of his parents' estates.
- 5) 2-4-2014, I emailed Frank Clark a couple of Affidavits of Heirships to fill out.
- 6) 2-24-2014, I received the Affidavits of Frank Clark and requested a copy of his parents' will.
- 7) 3-6-2014, received copy of Henry and Burnetta Clark's will and other respective documents from Sadie L. Pickering.
- 8) I will send out oil and gas leases to be executed by the heirs of Henry and Burnetta Clark.

Sally Rodgers

- 1) Mailed well proposal letter with AFE via certified mail dated 1-21-2014.
- 2) Received green card signed by ???.

Oil Conservation Division

History: This message has been replied to.

Corey: I got a call from Ken Kothman, the son of Karlos Bill Kotham (deceased) and wife Sheba Kothman. I explained what was going on, and I think he would like to lease (on behalf of his mother and estate). He said there was a probate done on his father's estate.

His phone number is 432-345-6781, and his e-mail is helicoptergypsies@yahoo.com. Why don't you contact him. He asked about the amount of the interest, but I said I didn't know. I said it was probably a small unleased interest.

Jim

439' FNL & 2004' FEL (SL)
330' FSL & 1980' FEL (BHL)
Section 8, T22S, R25E
Eddy County, New Mexico

Dear Mr. Kothman:

Mewbourne Oil Company ("Mewbourne") as Operator is interested in drilling one or more wells under the captioned Section 8.

In reference to the above, Mewbourne as Operator hereby proposes to drill the captioned well at the referenced surface location (SL) to the referenced bottom hole location (BHL). The proposed well will be drilled to a true vertical depth ("TVD") of approximately 7,620 feet subsurface to evaluate the Third Bone Spring Sand in the Bone Spring formation for oil production. The proposed well will have a horizontal measured depth ("MD") of approximately 11,900 feet. The W/2E/2 of the captioned Section 8 will be dedicated to the well as the pooled oil proration unit and project area.

Regarding the above, enclosed for your further handling is our AFE dated January 16, 2014 for the captioned proposed well. In the event you elect to participate in the proposed well, please execute the enclosed AFE and return to me within thirty (30) days. Upon my receipt of same, I'll forward you our Operating Agreement for consideration and execution.

If you do not wish to participate in the drilling of the above captioned well, Mewbourne hereby offers you \$200.00 per net acre for a three (3) year paid-up Oil and Gas lease providing for a 1/4 royalty interest covering your undivided 4.166667% mineral interest (6.666667 net mineral acres) in the SE/4 of the captioned Section 8.

The above offer is subject to your acceptance and Mewbourne's approval of title and lease form. If you would like to lease your interest, please get in touch with me by phone or email as soon as possible and I will forward you an Oil and Gas Lease for review and execution.

Dear Ms. Rodgers:

Mewbourne Oil Company ("Mewbourne") as Operator is interested in drilling one or more wells under the captioned Section 8. Apparently, you own 0.416667% mineral interest (0.666666 net acres) in the SE/4 of the captioned Section 8.

In reference to the above, Mewbourne as Operator hereby proposes to drill the captioned well at the referenced surface location (SL) to the referenced bottom hole location (BHL). The proposed well will be drilled to a true vertical depth ("TVD") of approximately 7,620 feet subsurface to evaluate the Third Bone Spring Sand in the Bone Spring formation for oil production. The proposed well will have a horizontal measured depth ("MD") of approximately 11,900 feet. The W/2E/2 of the captioned Section 8 will be dedicated to the well as the pooled oil proration unit and project area.

Regarding the above, enclosed for your further handling is our AFE dated January 16, 2014 for the captioned proposed well. In the event you elect to participate in the proposed well, please execute the enclosed AFE and return to me within thirty (30) days. Upon my receipt of same, I'll forward you our Operating Agreement for consideration and execution.

Should you have any questions regarding the above, please email me at cmitchell@mewbourne.com or call me at (432) 682-3715.

Sincerely,

MEWBOURNE OIL COMPANY

Corey Mitchell

Eddy County, New Mexico

Dear Ms. Harris:

Mewbourne Oil Company ("Mewbourne") as Operator is interested in drilling one or more wells under the captioned Section 8.

In reference to the above, Mewbourne as Operator hereby proposes to drill the captioned well at the referenced surface location (SL) to the referenced bottom hole location (BHL). The proposed well will be drilled to a true vertical depth ("TVD") of approximately 7,620 feet subsurface to evaluate the Third Bone Spring Sand in the Bone Spring formation for oil production. The proposed well will have a horizontal measured depth ("MD") of approximately 11,900 feet. The W/2E/2 of the captioned Section 8 will be dedicated to the well as the pooled oil proration unit and project area.

Regarding the above, enclosed for your further handling is our AFE dated January 16, 2014 for the captioned proposed well. In the event you elect to participate in the proposed well, please execute the enclosed AFE and return to me within thirty (30) days. Upon my receipt of same, I'll forward you our Operating Agreement for consideration and execution.

If you do not wish to participate in the drilling of the above captioned well, Mewbourne hereby offers you \$50.00 to acquire your undivided 0.041667% mineral interest (0.066667 net mineral acres) in the SE/4 of the captioned Section 8.

The above offer is subject to your acceptance and Mewbourne's approval of title and deed form. If you would like to sell your interest, please get in touch with me by phone or email as soon as possible and I will forward you a Mineral Deed for review and execution.

Re: True Grit "8" Prospect
True Grit "8" B3BO Fed Com No. 1H
439' FNL & 2004' FEL (SL)
330' FSL & 1980' FEL (BHL)
Section 8, T22S, R25E
Eddy County, New Mexico

Dear Mr. Elkins:

Mewbourne Oil Company ("Mewbourne") as Operator is interested in drilling one or more wells under the captioned Section 8.

In reference to the above, Mewbourne as Operator hereby proposes to drill the captioned well at the referenced surface location (SL) to the referenced bottom hole location (BHL). The proposed well will be drilled to a true vertical depth ("TVD") of approximately 7,620 feet subsurface to evaluate the Third Bone Spring Sand in the Bone Spring formation for oil production. The proposed well will have a horizontal measured depth ("MD") of approximately 11,900 feet. The W/2E/2 of the captioned Section 8 will be dedicated to the well as the pooled oil proration unit and project area.

Regarding the above, enclosed for your further handling is our AFE dated January 16, 2014 for the captioned proposed well. In the event you elect to participate in the proposed well, please execute the enclosed AFE and return to me within thirty (30) days. Upon my receipt of same, I'll forward you our Operating Agreement for consideration and execution.

If you do not wish to participate in the drilling of the above captioned well, Mewbourne hereby offers you \$50.00 to acquire your undivided 0.010417% mineral interest (0.016667 net mineral acres) in the SE/4 of the captioned Section 8.

The above offer is subject to your acceptance and Mewbourne's approval of title and deed form. If you would like to sell your interest, please get in touch with me by phone or email as soon as possible and I will forward you a Mineral Deed for review and execution.
